

Minnesota Agility Club: USDAA Agility Trial Ring Layout & Equipment
 Washington County Fairgrounds
 Two Identical Rings
 100 ft wide by 120 ft deep

Other Notes:
 Outdoors on grass with no obstructions
 Ring barrier around the entire ring is posts with caution tape
 Electronic timers for each ring with wireless consoles and speakers
 Headset that connects to speakers for gamblers and snooker
 MAC prefers to build courses using the baseline method, vertical centerline at 50 ft and baseline starting at the bottom.

Entry/Exit this side
