General CPE rules for entries/show site:

- Dogs must be at least 15 months or older the first day of the trial
- Blind (both eyes); lame, in season or aggressive dogs may not enter the show. The Club may choose to exclude any of the above from the site.
- Dogs must be registered with CPE prior to the closing date of the trial, or by the trial date for Day of Show entries. Registration forms are on the Forms page: www.k9cpe.com. Forms MUST be mailed to CPE and are processed 2-3 times per week. CPE ID numbers are emailed to legible email addresses. Registrations can only be processed from mailed forms.
- Dogs must be able to be measured at their first show. If a dog cannot be measured, the dog cannot run and no refund will be issued. Dogs within ½” of a jump height require at least one more measurement. When dogs reach their second birthday, a measurement is required. All dogs must be measured at their first trial regardless of jump height.
- Only CPE Judges can measure dogs.
- Electronic shock collars are not allowed at ANY CPE trial – training or bark.
- Handlers in all classes are permitted to walk the course, without a dog, prior to the start of the class. A warm-up jump shall be provided for all entered dogs. No relieving of dogs in the warm-up area.

Dogs in the ring, leashes, exiting the ring

- Dogs shall run without anything attached to its body. This is for the safety of the dog. This includes no: collars, stitches, wraps or any other item. The only exception is a small barrette or rubber band to keep hair out of a dog’s eyes.
- Leashes may not have anything (other than name/license tags) attached to them when used in the ring.
- Dogs may enter the ring on a collar, quick release harness or head halti/leader. If prong collars are allowed per the show site, they may *not* be used to take a dog into the ring.
- Handlers may not carry their leash with them on the course – if done so, an NT will result. Exception: Handicapped handlers that have a mobility

problem in picking up the leash at the finish may put their leash in their pocket – the leash must be out of sight.

- Dogs must be under the handler’s control when leaving the ring or the judge may enter the run as No Time - NT.

Training a dog in the ring during a run

We (Minnesota Agility Club) will offer Declared training in the ring. The handler has the option if they want to use a toy or training aid at any time during their run, the handler must approach the Judge during Walkthrough or previously in that trial day for the Judge to approve the toy or training aid for use on the course.

- Handler must alert the Judge upon entry to the ring that the dog will be TIR. Handler is then allowed to have a reasonably sized silent toy/aid with them for use once their run has started (this toy must be approved by the Judge of record PRIOR to the start of the class to determine its eligibility, absolutely no food/scents/audible devices). The toy is NOT allowed to be used in either gate chute or prior to the previous dog leaving the ring.

See the online rulebook or current member letter for additional rules.

The following items *are* considered training in the ring (see Fix and Go):

- Violating the 4 paw safety rule (directing the dog back onto the contact)
- Start line stay – leaving the dog and going back again to reposition the dog after the handler passes the plane of the first obstacle (before the handler leaves the dog, repositioning or repeated commands can be a delay of start)
- Putting the dog back on the table in the point games

While running on course

- The handler will direct the dog through the course without a collar or lead.
- Food, toys, training devices (includes fanny packs and leash attachments) are not allowed within 10’ feet of the ring. Clickers, training whistles and squeaky toys are not to be used within distraction distance of the ring.
- The handler may not carry anything that could aid the dog in its performance. Exclusion: Handicapped/Differently Abled Handlers using a cane, scooter, wheelchair, etc., to enable their progression around the course.

The handler may use any verbal or visual commands to direct the dog through the course. The Judge may assess a 5 fault penalty to elimination for any command that is not given in a sportsmanlike manner. Faults can be, but are not limited to: foul or abusive language, display of anger, extreme frustration or excessive harshness. If the fault is severe enough, the Judge has the right to excuse the exhibitor from the ring and / or the remainder of the trial. If excused from the trial, a report would be filed with CPE. See Faults, Eliminations and Excusals in the rulebook.

Questions? See the rules page on the website, www.k9cpe.com or your printed rulebook. If you have further questions, email CPE – cpe@charter.net.

Minnesota Agility Club Trials

Agility trials are an important part of the agility community. Due to the Covid-19 virus and pandemic, we have had to change many things in our daily lives; the same is true to trialing in agility. MAC has been planning, evaluating, and researching ways to safely hold agility trials. We comply with the Minnesota Governor's guidelines for opening up the state and for entertainment events. If trials cannot be held, we will notify all competitors by e-mail before the closing and all checks received will be shredded. We want exhibitors, workers and judges to be in a safe environment. As a result, we have changed our trial format and we are imposing new guidelines and restrictions. This set of restrictions will be in effect for the December 5-6th, 2020 trial. The following guidelines will be in effect:

1. The entry limit will be 300 runs each day.
2. A walk through protocol will be communicated at the trial site.
3. Anyone entering the building will need to wear a mask that covers their nose and mouth. This includes all exhibitors, workers, judge and ring crew. Individuals do not need to wear a mask when they are outdoors, however, strict six-foot distance must be observed if at all possible.
4. Exhibitors will maintain six-foot social distancing inside and outside the building. Crating will be permitted in the building; spacing of six-feet or more is required. Please be respectful of fellow competitors.
5. There will be no seating/viewing and chairs will not be permitted in the ring area.
6. Announcements will be made to alert when to enter the ring area for walk-throughs and running your dog; a gate steward will check in all dogs.
7. Ten or fewer exhibitors will be allowed in the area when they are in queue for their runs.
8. A leash runner will use a grabber to pick up and transport the leash. Grabber will be sanitized after each grab. If permitted by the organization on the date of the show, the leash may be put in the exhibitor's pocket or wrapped around the exhibitor's neck during the run.
9. Ribbons will not be self-serve. E-mail the secretary after your runs detailing the ribbons you earned; an announcement will be made as to when and where to obtain your ribbons.
10. No food will be available on site. Please arrange for food by bringing your own or purchasing from a neighboring restaurant.
11. Results will be e-mailed to everyone. Check e-mail or electronic device for results. There will be a copy of results posted; you can take photos as well. No stickers will be printed.

12. Course maps will be sent the evening before the event. There will be a copy of each course map posted. No paper copies of course maps will be available.
13. No C-ATCH/C-ATE cakes/desserts are permitted to share with exhibitors. No food can be distributed at this show.
14. Please wash your hands frequently. There will be hand sanitizer available at entrances and exits. Please use them or wash your hands each time you go inside or outside the building.
15. In the event you are ill, you are required to stay home. You will receive a FULL refund if you are in any way feeling ill at this trial.
16. If you do not wish to comply with all the rules stated in this document, you will receive a full refund and your entry will be withdrawn. Covid-19 continues to change our daily lives. If you are entering this trial, be sure you are comfortable with our new guidelines and are willing to comply with social distancing and wearing a mask. Exhibitors not complying with these guidelines will be excused from the trial. Please print and sign this document along with the Waiver and Liability document for CPE and return to Sue Kvale with your entry at 9510 400th Street, Cannon Falls, MN 55009. You will not be permitted to run at this trial unless these documents have been submitted in advance.

I have read and understand the guidelines above, and will comply with all requirements listed.
