ISC Eligibility:

ISC classes are open to all dogs that are eligible to compete in AKC agility trials. There is no preferred option for ISC. Dogs may be entered at their preferred height, but they will be scored against the regular division dogs jumping their regular height. For example, 16" preferred dogs will be scored against 20" regular division dogs.

Prize and Awards: Ribbons will be awarded to the 1st through 4th place dogs in each Standard and Jumpers with Weaves class. A green qualifying ribbon will be awarded to all dogs earning a qualifying score. A MACH/PACH bar and Rosette will be awarded to each team earning MACH/PACH. The club reserves the right to substitute prizes of equal or greater value. All awards and prizes must be claimed at the show as none will be mailed. There are no prizes or awards for ISC classes.

Refunds: Entry fees for bitches that come into season and injured dogs after the closing date will be refunded with a veterinary note presented to the trial secretary (minus \$15.00 administration fee per day). Request for refunds must be made prior to the start of judging. No entry fees will be refunded if the trial cannot open or be completed by reason of riots, civil disturbances, fire, an act of God, public emergency, or any other cause beyond the control of the organizing committee. Entry fees shall not be refunded in the event that a dog is absent, disqualified, excused by vet or judge, or barred from competition by action of the trial committee.

Safety/Behavior: The safety of the dogs is our primary concern. By entering this trial, exhibitors acknowledge that they are familiar with the rule and regulations of this sport, and that their dogs are familiar with and able to perform all obstacles safely. Exhibitors should follow their veterinarian's recommendation to assure their dogs are free of internal and external parasites, any communicable diseases, and have appropriate vaccinations. All dogs present must be on leash or confined to their crates except when being judged or when using the warm-up jump.

Liability: It is expressly understood that exhibitors alone are responsible for the behavior of their dogs and/or children. AGREEMENT

I certify that I am the actual owner of the dog, or that I am the duly authorized agent of the actual owner whose name I have entered. In consideration of the acceptance of this entry, I (we) agree to abide by the rules and regulations of The American Kennel Club in effect at the time of this event...

INSTRUCTIONS

Handlers whose dogs measure into the 8" through 20" regular jump height divisions may opt to enter in a higher or 24-choice height division for all Regular titling classes, but not in a division lower than their proper height division. Dogs who measure into the 24" regular jump height division may not enter 24-choice. Dogs entered in the Preferred classes must compete at the required jump height and may not compete in a jump height division higher or lower than their proper height division.

All dogs that have not been officially measured for an Agility Jump Height Card may still compete; however, they must be measured by a Judge of record, an Agility Field Representative, or a Volunteer Measuring Official, prior to running. If measured by the Judge of record, that measurement will be valid for this trial or back-to-back trials only.

Dogs listed in the AKC Canine Partners ProgramSM may be eligible to enter all-breed AKC agility trials at the club's option. These dogs should be listed as All American Dog and must include their AKC number on the entry form and check the AKC No. box.

Class Changes Effective January 1, 2020

Entering a Mixture of Regular and Preferred Classes Within the Same Trial Weekend – Multiple Jump Heights Within the Same Trial Day

Effective January 1, 2020, exhibitors may enter a mixture of both Regular and Preferred classes on the same trial day and/or during a trial weekend. Any mixture of Regular and Preferred classes is allowed. Please note that if a dog qualifies in Regular Master Standard and Preferred Master JWW (or vice versa) on the same trial day, then NO Double Q shall be earned toward either the MACH or PACH title. The Double Q still requires that Standard Agility and Jumpers With Weaves be either both Regular OR both Preferred on the same trial day.

Additionally, within the same Regular or Preferred classes, a dog may now be entered in multiple jump heights within the same trial day. For example, the same dog may now be entered in 20-inch Master STD/JWW while also entered in 24C-inch Premier STD/JWW on the same trial day.

A separate entry form must be submitted when the same dog is being entered in a mixture of Regular and Preferred and/or different jump heights within the same trial weekend thereby clearly indicating which class(es) and/or jump heights belong together for each trial day of the weekend.

Entering for Exhibition Only (FEO)

- FEO allows exhibitors to work with their dogs in a trial environment. FEO is only offered in the Time 2 Beat and FAST classes. Participation in FEO is non-qualifying.
- FEO runs are treated as trial entries. The exhibitor must enter the class(es) (T2B and/or FAST) prior to the closing date, pay class entry fee(s) and the Trial Secretary must record the entry in the Trial Catalog as part of the results for that class. FEO does not need to be noted on the entry form; the handler will declare the day of the show.
- Dogs may be entered in any jump height for FEO runs. If entered in an ineligible jump height, the team is committed to FEO for that run and must declare FEO on the start line. Day of show jump height changes are not allowed.
- Dogs may be entered in any level of FAST (Novice, Open, Excellent, Master). If the dog is not eligible for the level entered, the team is committed to FEO for that run and must declare FEO on the start line. Day of show level changes are not allowed.
- The exhibitor must declare FEO in the ring prior to leading out. FEO may be declared earlier (ex. when checking in at the gate board).
- Toys are allowed in the ring. Toys must be non-audible and may not leave the handlers hand. Toys that roll freely may not be used.
- Food/treats are not allowed in the ring
- FEO should be utilized for the benefit of the dog and not as a punitive correction. Harsh verbal and /or physical corrections shall not be tolerated. Any determination of harshness by the judge shall be immediately whistled and the handler will be dismissed from the ring.
- A judge must monitor the entire run. Judges can stop a run at any time

Fix and Go On

Fix and Go On allows exhibitors to immediately reattempt an obstacle at any time while on course when the dog's performance of an obstacle is not to their expectation. This allows the dog to successfully complete the obstacle then finish the course or leave the ring on a positive note. Using Fix and Go On will result in a non-qualifying score. Fix and Go On is not pre-entered; rather, it occurs during the run.
